## Coaching, Mentoring and Mastermind Programs

### Program Descriptions

<b>Customized Leadership Coaching</b>	1:1 coaching for a fixed length of time and frequency of sessions; usually involves one or more assessments; company-sponsored engagements typically include one or more sessions with the coach, client and their immediate supervisor together
<b>FCPO Mastermind Plus Discovery</b>	This program is designed to be a great introduction to applying leadership development concepts for high-potential employees who are preparing to take on their first significant leadership responsibility
<b>FCPO Mastermind Plus New Manager</b>	This program is designed for newer Managers who want the benefits of a more robust experience with twice the coaching sessions and longer sessions than is offered in the Discovery program
<b>FCPO Evolving Leader</b>	This program is ideal for Director-level leaders who desire to transform their leadership through 1:1 coaching, 1:1 mentoring and connecting with likeminded industry peers over a 6-month time period
<b>FCPO Executive Ascension</b>	This program is designed for more senior leaders who are preparing to take a next pivotal step in their career; session length and frequency can vary depending on the co-created coaching plan
<b>FCPO Executive Succession</b>	This program is designed for VP-level leaders who are in a formal succession plan to eventually lead a procurement or supply chain organization; session length and frequency can vary depending on the co-created coaching plan

Corey is an International Coaching Federation (ICF) Professional Certified Coach (PCC) focused on elevating executives, high-potentials and teams in the procurement and supply chain space where he has also worked for more than two decades as an executive search consultant. Corey has served on the Institute for Supply Management (ISM) ISM-Dallas Chapter's board of directors since 2011, including three terms as president. He has also served on the ISM World Chapter Advisory Committee and authored numerous articles on talent and leadership for the organization's magazine, Inside Supply Management. Corey holds master's degrees in Organizational Leadership and Executive Coaching and Consulting from the Townsend Institute for Leadership and Counseling at Concordia University Irvine. Having personally received over 100 hours of group and individual executive coaching as a client, Corey has a unique 360° perspective of the executive coaching experience. Committed to continual learning and growth, Corey regularly receives coach supervision and subscribes to the annual World Business and Executive Coach Summit (WBECS) to stay current of trends and best practices. Corey is certified by Multi Health Systems, Inc. to administer the EQ-i 2.0 and EQ 360 Leadership, Workplace, and Group Emotional Intelligence assessments.
